

KZNPI PARTNERS

We are so grateful to all the individuals, companies and organizations that support us in various ways.

Poltek recently donated 50 crates, which have proved invaluable in transporting birds around the farm or on and off the farm. The crates are often needed in depopulating our broiler flocks. It means that buyers don't come onto the farm and we can keep high levels of biosecurity.

Transporting birds on the KZNPI farm in the new crates
